Letter no D3-C-2245/44-45-Dy 11-8-45 from the Dy Comm'r, Mysore Dt. requesting sanction to the entertainment of 2 additional male sweepers on a pay of Rs 8 each p m in the Bannur minor mcp with effect from 1-7-43 on a permanent basis.

Prior to the year 1942-43, there were only 7 male sweepers on Rs 8 each p m and 3 female sweepers on Rs 7-8-0 each p m.

As the services of two more additional male sweepers were required, the Dy Comm'r sanctioned the employment of two more sweepers during 1942-43 on temporary basis.

After examining the questions directed by the D.C, the mcl found the necessity for the continuance of the services of the two male sweepers on Rs 8 each p m on a permanent basis from 1-7-43.

As to The D C has stated that the financial condition of the mcp is sound & it can bear the additional expenditure.

A draft G.O is submitted for orders

Sir,

Sub:- Sanction-Two Additional Sweepers to Bannur Municipality. T.Narasipur Taluk.

I have the honour to statethat the conservancy and Sanitary staff of the Bannur Minor Municipality consists of male and female sweepers as detailed in the margin.

7 Male sweepers on Rs. 8/- each p.m.
3 Female sweeepers on Rs.7/8/- p.m.

At the time of inspecting this office during the year 1942-43 by the then Deputy Commissioner the need for having entertained two additional male sweepers was explained and the additional establishment was sanctioned for a period of one year, viz., for the year 1942-43 by this office. This establishment has been continued during the subsequent years also without obtaining sanction of competant authority. The president Municipal Council, Bannur sent a report bearing No.100/44-45 dated the 28th December 1944 seeking sanction for the continuance of the establishment during the year 1943-44. He was directed to place the subject before the Municipal Council and to forward their view regarding the desirability of continuing this additional establishment on a permanent basis.

He has now sent a report stating that continuance is necessary in view of the insufficiency of the staff for rendering efficient and adequate sanitary service to the people of Bannur. Recently Government have also sanctioned an Assistant Sanitary Inspector to this Municipality in accordance with the wishes of the Local Municipal Council. During my visit to the place I have also found the necessity for adequate sanitary staff. Of late, the financial position of the municipality has improved and as such it is capable of meeting this additional obligatory expenditure. Hence, I request you kindly to obtain sanction of Government for the entertainment of the 2 additional male sweepers permanently on a pay of Rs.8/- each per mensem with effect from 1-7-43. A copy of the resolution of the Muncipal council is enclosed herewith.

I have the honourto be
